Dear colleagues,

As Editorial Board of The Innovation, I cordially invite you to submit your innovative astrophysical drafts of any relevant category to The Innovation (Journal site: www.the-innovation.org ; Inaugural video: www.the-innovation.org/v/v1.mp4).

The Innovation is a partner journal of Cell Press, launched by members of Youth Innovation Promotion Association, CAS. The Innovation is a transdisciplinary journal that aims to promote scientific application by publishing cutting-edge research and high-quality reviews across all scientific disciplines, such as physics, chemistry, materials, nanotechnology, biology, translational medicine, geoscience, and engineering. We strive to adhere to the highest peer review and publishing standards of Cell.

The features of The Innovation are:

- I. Open access & fair peer review (blacklist of unfair peers)
- II. Shortening article processing time (regular <3 weeks & fast track <1 week)
- III. Awarding credit to peer reviewers and Lead Contact upon paper acceptance
- IV. Improving the quality of figures / charts via involving Central Academy of Fine Arts
- V. Website: www.the-innovation.org (comments)
- VI. Waiving open access fee upon request during the first 3 years
- VII. Promoting articles through Elsevier system and social media (Facebook, Twitter, Instagram, and WeChat)

The categories of The Innovation are:

- ▶ Article (~5000 words, ~8 figures/tables)
- ▶ Report (~4000 words, ~7 figures/tables)
- ▶ Review (~8000 words, ~10 figures/tables)
